Admissions Policy

It is our intention to make our school genuinely accessible to children and families from all sections of the local community. In order to accomplish this, we will:

1. Ensure that the existence of the school is widely known in all local communities. We will place notices advertising the school in places where all sections of the community can see them.
2. Arrange our waiting list in order of date of application.
3. Keep a place available, if this is financially viable, in order to accommodate a pupil in line with our charitable status and Articles of Association.
4. Describe the school and its practices in terms which make it clear that it welcomes all parents, other relations and other carers, including childminders, and people from all cultural, ethnic, religious and social groups, with and without disabilities.
5. Monitor the gender and ethnic background of children joining the group to ensure that no accidental discrimination is taking place.
6. Ensure that it is known that the school is non-selective.
7. Maintain an equal opportunities policy.
8. Maintain an accessibility policy for disabled pupils.

This policy is monitored by the Headteacher and the Trustees and will be reviewed annually.
